**\* See next page for special Notes.**

**Notes:**

- N901** This segment **N901 AH** will have the PO number as the Agreement Number.
- MSG01** This will be used for any special instructions or any add information needed for this purchases order.
- N1** The **BY** will have a Qualifier of **1** then the **Duns#**. The **ST** will have a Qualifer of **9** then **Duns + the 4 digit store number**. Refer to the enclosed store list. Stock, and Pick and Pack orders will have a **N1 ST** with a **Duns + 0950**. Consolidated PO's will have an over-riding **N1 ST** with a **Duns + 0960** as well as **SDQ's**. Direct Ship orders will have **SDQ's** only. New store addresses will come direct from Duckwall- ALCO Merchandising staff.
- PO1** The **PO102, 3, and 4** are usually in cases, unless specially requested to be in eaches. The **PO111** may not be the current UPC for the product and will be sent by **request only**.
- PO4** The **PO401** is the number of Eaches or number of outer packs. The **PO414** is the number of eaches in the inner pack. If there is no inner pack the number of eaches is in the **PO401** and we will transmit only the **PO401**.
- SDQ** This section is for **consolidated (mark for) orders and direct orders only**. This will have the **Duns + 4 digit store number** then the quantity.
- SLN** This section is for **assortment details only**. The **SLN13 UP** and UPC'S will be sent by **request only** in the **SLN14**.
